Invitation to Participate

On behalf of the Organizing Committee, We are pleased to invite you to attend **6th Dairy China Summit 2018**.

The **6th Dairy China Summit** is an unrivaled opportunity for industry experts to share their in-depth knowledge of dairy and bring the audience up to speed on the latest developments in the industry. It is also an outstanding networking event with hundreds of companies in attendance and unique opportunities to showcase your company and products, tap into a large pool of dairy professionals and reach out to key contacts.

For sponsors and exhibitors alike, the **6th Dairy China Summit** is the first priority to select in the global dairy industry. Getting in touch with us to find out how you can get involved.

Here are some **forefront knowledge, technologies and trends** what you should expect as an attendee of the summit:

- **Functional dairy R&D technologies and innovative trends.**
- **Much more collaboration opportunities towards to china dairy market under "the Belt and Road" initiative**
- **National standard revision direction and industry standard interpretation**
- **Industry 4.0-How and what bring to China Dairy Industry**
- **In-depth analysis on the China dairy industry structure of emerging product categories**
